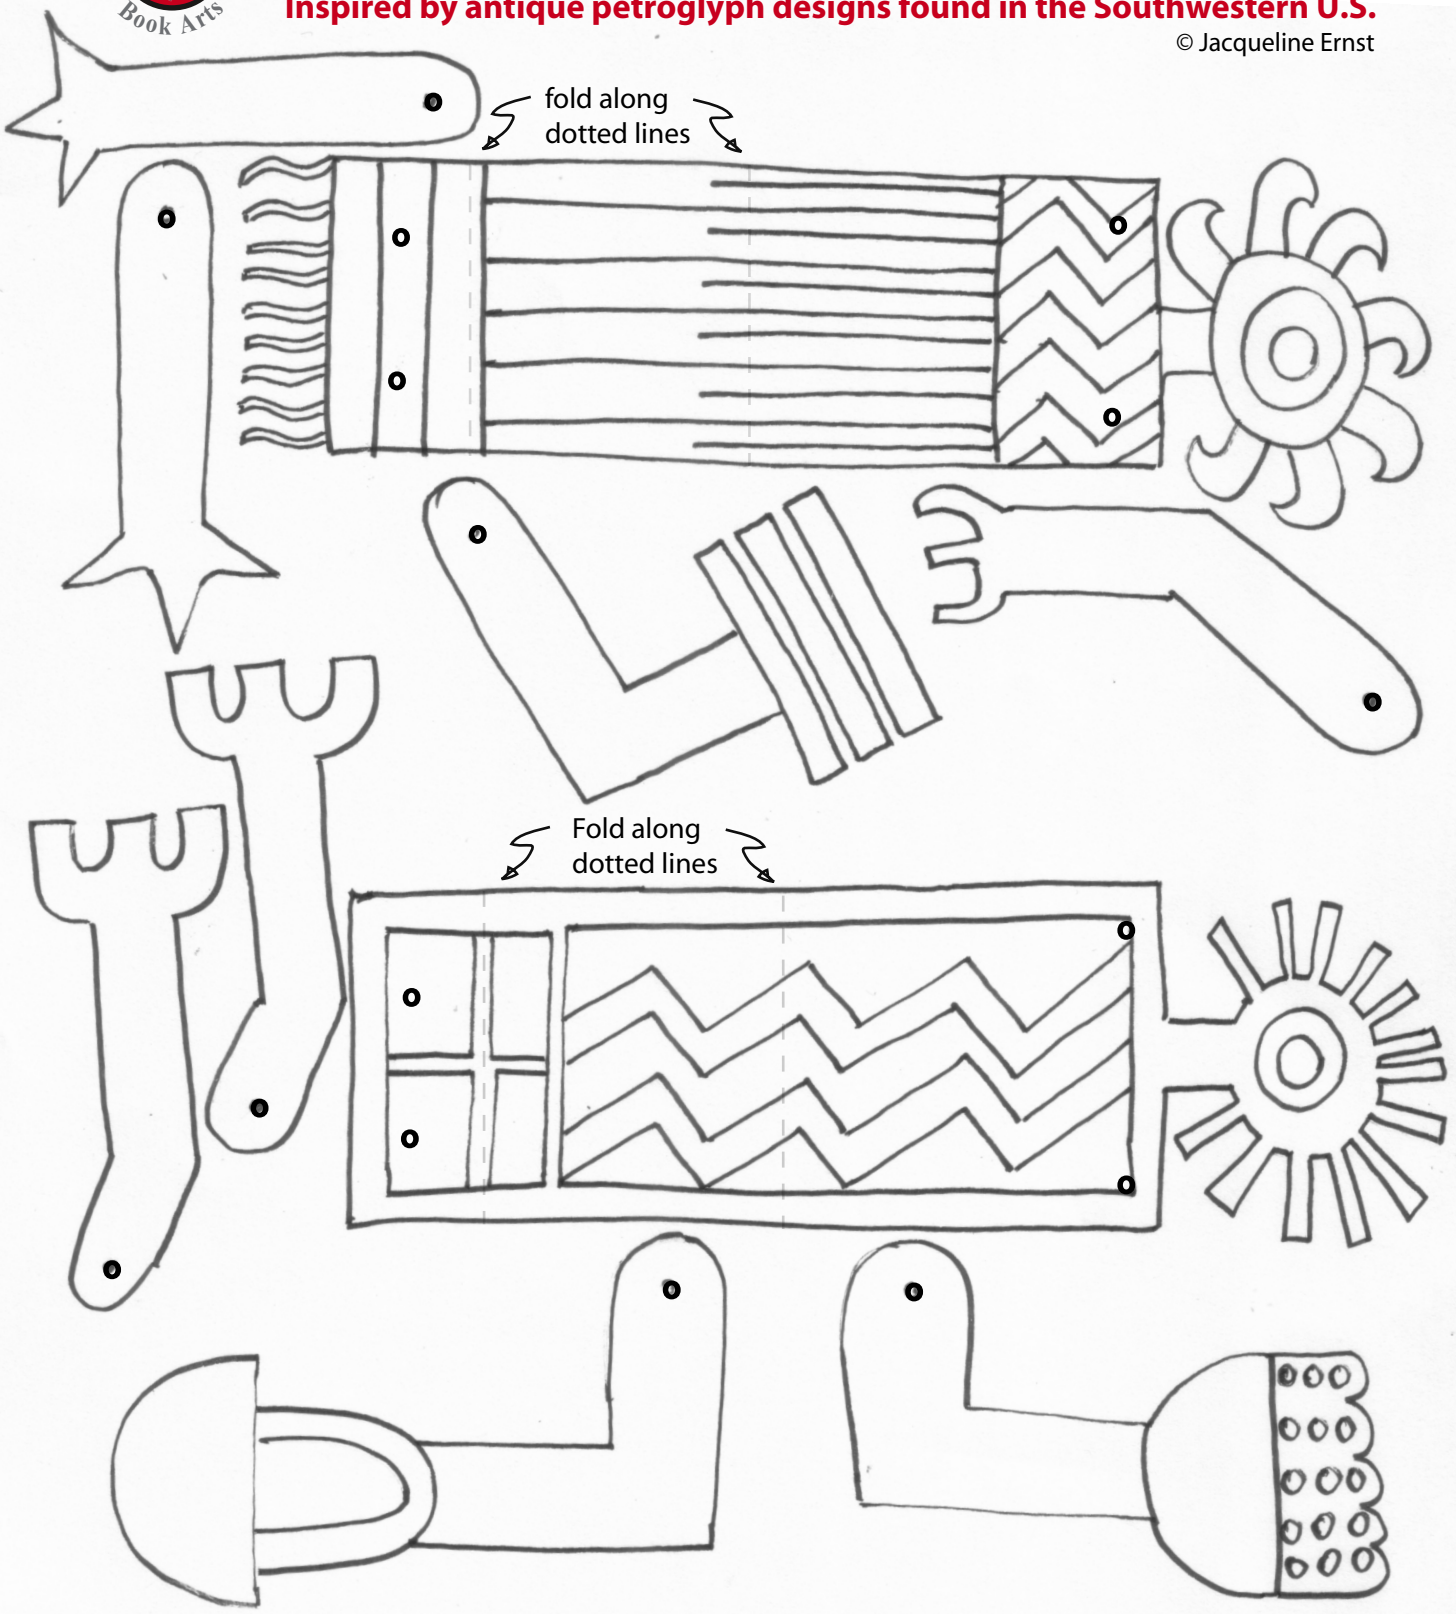
Native American Paper Dolls

Inspired by antique petroglyph designs found in the Southwestern U.S.

© Jacqueline Ernst



Color doll parts as desired. Cut out appendages and torsos along solid outlines
Make holes at all **o** markings using needle or paper punch.
Position appendage behind body and align holes. Use decorative brads to attach arms and legs to torso.
Form seated figure by creasing and folding body along dotted lines. Sit figure on edge of table or shelf.
